Attended: 20

Announcements

The 2016 AFS Hawkeye Chapter Golf Outing is scheduled for July 23, 2016 at Irv Warren Memorial Golf Course. A formal announcement will follow in the next month.

The Cast Expo was held on April 16-19, 2016 in Minneapolis, Minnesota. Sponsored solely by the American Foundry Society (AFS), CastExpo is the single largest trade show and exposition for metalcasting in the Americas. CastExpo offers metalcasters, suppliers, and casting buyers and designers the opportunity to connect and educate themselves on the latest and greatest metalcasting has to offer.

A friendly reminder:
When you RSVP to a Hawkeye Chapter event, we add your name to an ongoing list. At the end of the RSVP period, we give that list to the event center, and that is how they plan the amount of food to buy. There is a percentage of extra food that is added as a safety stock so we do not run out. The AFS Hawkeye Chapter has to pay for the number of guests that we RSVP for whether or not you actually show up. We do take into account uncontrollable circumstances such as illnesses and we plan accordingly. So please make sure that when you RSVP, you make every attempt possible to show up to the event or you let us know as soon as possible.

Thank you,
2015-2016 Hawkeye Chapter Board
We would like to thank all our sponsors for participating in the advertising below. The money from this advertising contributes directly to The AFS Hawkeye Chapter scholarship fund managed through The Foundry Education Foundation. If you would still like to contribute, please contact Loren Duchman at DuchmanLorenF@JohnDeere.com. Thank you.
